

Delivery Driver

ABOUT WALDEN

Walden is New England and New York's leading brand of sustainable, locally raised meat, distributed directly to thousands of households as well as wholesale channels. We are a growing 4-year old mission-driven startup 'making local work' by reinvigorating local agricultural economies, in support of healthier animals, soils, and communities. We are taking on many 'crazy' challenges - owning cattle, last mile delivery, our own fulfillment, balancing whole animal sales - all of which are complicated optimization problems that we are passionate about solving. If you like complicated problems and ambitious missions, we'd love to meet you.
